Re: February 26, 2010 EPC Meeting Report

Discussion and action on the following proposals:

Course Title/Program	Request	Recommendations
BIO 385 Cell Biology	<ul style="list-style-type: none"> • change in prerequisites 	Approved.
BIOL 250 General Ecology	<ul style="list-style-type: none"> • change in prerequisites Adding NSM 101 	Approved.
BIOL 270 Genetics	<ul style="list-style-type: none"> • change in prerequisites Adding NSM 101 	Approved.
ECON 417 Health Economics	<ul style="list-style-type: none"> • new course 	Approved.
ENG 310 Technical and Report Writing	<ul style="list-style-type: none"> • change in prerequisites 	Returned to the department for completion/revision.
HHPLS	<ul style="list-style-type: none"> • change in program requirements 	Returned to department for completion.
CHEM 101 Health Science General Chemistry	<ul style="list-style-type: none"> • change in prerequisites Eligible for MATH 120 	Approved.
CHEM 105 General Chemistry I	<ul style="list-style-type: none"> • Change in prerequisites Concurrent MATH 120 or MATH ACT 23 • Revise course description 	Approved.
CHEM 106 General Chemistry II	<ul style="list-style-type: none"> • Change in prerequisites • C in CHEM 105; C in MATH 120 or MATH ACT 23 	Approved.
CHEM 211 Introductory Analytical Chemistry	<ul style="list-style-type: none"> • Change in prerequisites C in CHEM 106, 108, MATH 120 concurrent enrolment in MATH 	Approved.

Course Title/Program	Request	Recommendations
	102 or MATH 121	
CHEM 208 Organic Chemistry Lab II	<ul style="list-style-type: none"> • Revise course description 	Approved
CHEM 201	<ul style="list-style-type: none"> • Change in prerequisites C in CHEM 101 or 105 	Approved.
CHEM 205-207 Organic Chemistry I Organic Chemistry II Organic Chemistry Lab	<ul style="list-style-type: none"> • Revise course descriptions 	Approved.
CHEM 333 Biochemistry Lab	<ul style="list-style-type: none"> • Revise course description 	Approved.
