Presiding Officer Williams called the meeting of the West Virginia State University Board of Governors Audit Committee to order at 9:34 a.m.

Present: Mr. Susman, Mr. Swingle, Mr. Williams, and several members of the administration were present. Mr. Salyers joined the meeting by conference call at 9:52 a.m.

2. **Verification** of Appropriate Notice of Public Meeting

Mr. Williams announced the Verification of Appropriate Notice of Public Meeting.

3. **Review and Approval of Agenda**

Mr. Swingle moved that the agenda be approved as presented, and Mr. Susman seconded the motion. The motion passed.

4. **Review and Approval of Minutes of Previous Meeting**

Mr. Swingle made the motion to approve the minutes of the previous meeting, and Mr. Susman seconded the motion. The motion passed.

5. **University Recommendations and Reports**

5.1 **Update on HEPC Audit Firm for Fiscal Year 2014**

Mrs. Lori Elliott report that the HEPC extended an offer to Clifton Larson Allen, one of the top ten CPA firms in the nation. Clifton Larson Allen is willing to work with Hayflich & Grigoraci to subcontract most of the smaller institutions. Mrs. Elliott indicated that the University will be advised later this month if Clifton Larson Allen or Hayflich & Grigoraci will be performing this year's audit.

5.2 **Internal Review on Purchasing Cards**

Mrs. Elliott reported that ten percent of purchasing cardholders were randomly selected to review transactions for the last three months. Three out of 24 credit card statements did not have the credit card number blacked and two out of 24 did not have the cardholder's signature. Log sheets and supported documents verified the credit card statements. Every transaction requires a signature. Mr. Susman requested a review again in six months.

5.3 **BOG Policy #5 (Travel Regulations)**

The Committee discussed BOG Policy #5 and revised Sections 1.1, 2.2, and 4.1.1.4. Mr. Susman requested to add Section 4.2.4.3. Mr. Susman made a motion to recommend BOG Policy #5 as amended to the full Board for approval, and Mr. Swingle seconded the motion. The motion passed.

5.4 **BOG Policy #60 (Fixed Asset Inventory Policy)**

There were no changes to BOG Policy #60. Mr. Susman made a motion to recommend BOG Policy #60 to the full Board for approval; and Mr. Swingle seconded the motion. The motion passed.

5.5 **Additional Information**

Mrs. Elliott reported that the West Virginia Legislative Auditor's Office is requesting information of all NCAA Division II higher education institutions in order to compile a report. There is no due date to submit the requested information; however, it will be provided by mid-May.

6. **Next Meeting Date**

June 12, 2014

7. **Adjournment**

With there being no further business, the meeting adjourned at 10:10 a.m.

Respectfully submitted,

Belinda W. Silas
Office Administrator

WEST VIRGINIA STATE UNIVERSITY BOARD OF GOVERNORS

West Virginia State University

PROPOSED BOG Policy #5

Title: Travel Regulations

Section 1. General

1.1 Scope: This policy governs in-state, out-of-state and international travel, hereinafter referred to as “travel,” for employees, students and non-employees seeking reimbursement or utilizing direct funding from the University or its affiliates with the exception of Section 4.2.4.3, which applies to all employees, students and non-employees on University travel.

1.2 Authority: West Virginia Code §18B-1-6

1.3 Adopted Date:

1.4 Effective Date:

Section 2. Delegation of Authority and Responsibilities

2.1 The President may delegate all or a portion of the authority to manage, approve, or disapprove travel and travel-related expense to the departmental Vice President.

2.2 Travel may be authorized only for official business, ~~and only if the department/area has the financial resources to reimburse the traveler for travel expenses.~~ If reimbursement is sought or direct funding is utilized, it must be approved and available funding must be identified in advance of such travel and/or purchases.

2.3 The department/area may develop administrative policies and procedures, consistent with this policy, to provide additional guidance to employees and others traveling on behalf of the University.

2.4 The initial responsibility to audit a traveler’s Expense Account Settlement lies with the funding department. Approval of a traveler’s Expense Account Settlement means that the Expense Account Settlement meets all criteria established by this policy for reimbursement. The funding department should audit and submit an accurate Expense Account Settlement for reimbursement to the Accounts Payable Office within fifteen (15) days after completion of travel.

Section 3. Travel Regulations Applicable to All Employees, Board Members and Non-Employees

3.1 Employees

- 3.1.1 Approval to travel shall be secured in advance by the employee in accordance with these regulations, and if applicable, the administrative policies and procedures of the University. Under no circumstances should an employee travel without proper approval of the funding department.
- 3.1.2 Employees are responsible for submitting a Travel Expense Account Settlement Form with all required attachments to the traveler's funding department. The form should be submitted within the time prescribed by this policy after the last day of the approved travel to qualify for reimbursement of expenses.
- 3.1.3 The Board of Governors has directed the President to spend a large portion of his time on fundraising activities, as such, the President's travel plans are fluid. This requires in some cases travel to be approved after the fact. The cost of the President's travel is normally borne by three areas: West Virginia State University, West Virginia State University Research and Development Corporation and West Virginia State University Foundation. The Assistant Vice President for Business and Finance, the Director of Purchasing and the Chief of Staff/Special Assistant to the President are responsible for allocating and documenting the President's travel expenses to these three areas. In addition, the Board recognizes the President's travel may include expenses related to the nonemployee spouse as an approved traveler.

If the President incurs any inadvertent personal expenses during travel, these expenses must be reimbursed within thirty (30) days upon reconciliation of the monthly credit card statement.

3.2 Board Members

- 3.2.1 This policy shall govern reimbursement of travel expenses to members of the governing board when the member requests reimbursement for travel expenses.

3.3 Non-Employees

- 3.3.1 Consultants, contractors and non-employees are not required to use these policies and regulations at the University's option. All consultant and contractor travel should be included as part of the consulting/contractor fee agreement (WV-48).

3.4 Purchasing Card and Team Travel Card Receipt Requirements and Reimbursements

- 3.4.1 Employees are responsible for submitting all original, required receipts for travel

to their appropriate Purchasing Cardholder for expenses paid using the Purchasing Card in accordance with Purchasing Card Program policy.

- 3.4.2 Team Travel Cards are not to be used for non-travel purposes.
- 3.4.3 Purchasing Cards and Team Travel Cards may not be used for personal expenses.
- 3.4.4 Reimbursement of travel expenses paid from federal, state and private grants shall be governed by the terms and conditions of the grant if they are more stringent than this policy; otherwise, this policy shall govern such reimbursement.

Section 4. Transportation

4.1 Air Transportation

4.1.1 Commercial Airlines

4.1.1.2 Tickets should be purchased using the Purchasing Card or Team Travel Card.

4.1.1.3 Allowable reimbursement for commercial airline travel shall include the actual expense or cost for the least expensive logical fare via the most direct route, or a reasonable alternative route, if it results in lower fare.

4.1.1.4 Travelers ~~should~~ shall make advance bookings through the state's preferred travel agency, ~~National Travel, to secure the least expensive airfare possible.~~ If a traveler would like to request an exception to utilize a less expensive travel option, he or she should make such a request to the Vice President for Business and Finance, who shall have the authority to approve such requests at his or her discretion. Reimbursement may be made to the traveler in advance for airfare purchased 45 to 180 days prior to the trip.

4.1.1.5 In order to receive reimbursement, the traveler must submit the original invoice from the travel service vendor. If airfare is reimbursed prior to the trip, it must be referenced on the traveler's final expense account. Refundable or unused airline tickets shall be returned immediately to the ticket issuer for a proper credit or refund.

4.1.1.6 If an increase in the cost of airfare is incurred, the charge is reimbursable if the traveler is directed by the funding department to change his or her travel plans, or if other extenuating circumstances arise. Increased or extra charges incurred due to the traveler's negligence will be considered a personal expense of the traveler and shall not be reimbursed.

4.1.1.7 Deliberately causing increased costs or delays to obtain personal gratuities, such as denied boarding compensation, frequent flier points or mileage, or similar benefits is prohibited. In addition, conversion of airline tickets for personal benefit, such as downgrading tickets, returning unused tickets for cash, credit, or personal airline tickets, or any other similar action is prohibited. Any credits, rebates, or refunds resulting from these actions must be returned to the University.

4.1.1.8 All major airlines charge a fee to issue paper flight coupons in situations where an e-ticket is available. E-tickets are the industry standard, ~~are~~ issued automatically, and ~~are~~ sufficient for traveling and reimbursement unless the traveler specifically requests a paper ticket. If a paper ticket is requested, the service charge will not be reimbursed. If travelers experience problems with e-tickets when exchanging due to flight cancellations or delays, particularly when changing airlines, the travel service vendor is required to assist and provide proper documentation.

4.1.1.9 First class airline tickets will not be reimbursed, unless the schedule is critical and no other seats are available. The purchase of first class airline tickets must be approved in advance by the Vice President for Business and Finance.

4.2 Ground Transportation

4.2.1 The traveler may use a state-owned vehicle, privately-owned vehicle, or a commercial rental vehicle for ground transportation. The availability and use of a state-owned vehicle will be determined by Physical Facilities.

4.2.2 The traveler must possess a valid operator's license if operating a vehicle. The traveler is personally responsible for any fines or penalties resulting from citations, charges, or warrants attributable to operator negligence. Such fines or penalties shall not be reimbursed.

4.2.3 In cases where a traveler chooses to drive rather than fly while on business, reimbursement will be based on actual in-transit expenses (mileage, hotels, parking, meals, etc.), not to exceed the lowest available commercial airfare plus local transportation, and parking (where required) to and from the airport.

4.2.4 Privately-Owned Vehicles

4.2.4.1 Privately-owned vehicles may be used for University travel, ~~with departmental approval when University owned or leased vehicles are unavailable.~~ A privately-owned vehicle should not be used when reimbursement costs are expected to exceed the cost of commercial travel (air, rental car, etc.).

Reimbursement will be made at the prevailing rate per mile established by the State of West Virginia Travel Management Office, excluding normal daily commuting mileage, for actual miles traveled using the shortest practicable route to the point of arrival at the traveler's destination. This rate is intended to cover all operating costs of the vehicle (including fuel, maintenance, depreciation, insurance, etc.) and no additional reimbursement will be made.

4.2.4.2 Receipts are not required for mileage reimbursement when using privately-owned vehicles.

4.2.4.3 All privately-owned vehicles, that are utilized for University travel, must be properly licensed, inspected, and insured.

4.2.5 Commercial Rental Vehicles

4.2.5.1 A commercial rental vehicle should only be used when a temporary need arises, a University vehicle is unavailable, and the cost will be less than the reimbursement associated with a privately owned vehicle. Contact Physical Facilities for arrangements if the traveler is departing from the University.

The Purchasing Card and Team Travel Card are the only acceptable methods of payment when renting a vehicle unless otherwise requested by a traveler and approved by the Vice President for Business and Finance, who shall have the authority to approve such requests at his or her discretion.

Allowable reimbursement for commercial rental vehicles includes the actual cost for the daily rental fee for a mid-size, standard, or smaller vehicle, plus mileage fees and fuel costs. Reimbursement may be made for larger vehicles for group travel with multiple travelers. Exceptions to mid-size, standard, or smaller vehicle rentals must be approved in advance by the Vice President for Business and Finance.

For travel of more than a few days in duration, weekly rental rates may be reimbursed if they will result in a lower total cost than the daily rate.

4.2.5.2 If a third party booking incurs a service fee, that fee will not be reimbursed (i.e. some internet sites charge a service fee for booking cars). Travelers may use car rental services from another company in the following situations:

- a. Rental car vendor does not have a location in the specific area.
- b. Rental car vendor does not have the appropriate vehicle at the time needed.

c. Rental car vendor does not have the appropriate vehicle for the duration needed.

Travelers must note these exceptions on the travel expense settlement form.

4.2.5.3 Receipts (or documentation) ~~is~~ are required for reimbursement of car rental and mileage charges or fees. Reimbursement may be made for actual fuel costs. Receipts must be attached. Travelers must return rental cars with a full tank of fuel. Refueling costs charged by rental car vendors are not reimbursable unless their fee is less than current fuel rates.

4.2.6 Collision Damage Insurance (CDW)

4.2.6.1 The Purchasing Card provides CDW at no cost for rentals up to 31 days.

4.2.6.2 The Purchasing Card Program does not cover the rental of trucks, campers, off-road vehicles, trailers, motorized bikes, motorcycles and motorized scooters, antique cars, high value, special interest and exotic cars, or vans that seat more than eight (8) occupants.

4.2.6.3 No other insurance or insurance-like product is reimbursable for rentals used in the United States, unless required by law. Full coverage insurance is a reimbursable expense for any approved rental vehicle used outside the United States.

4.2.7 Rail Service

4.2.7.1 Travelers should make advanced bookings through the travel services vendor and use the least expensive logical fare via the most direct route or other reasonable route that results in a lower fare.

4.2.7.2 Receipts or documentation is required for reimbursement of rail service expenses.

4.2.8 Miscellaneous Ground Transportation

4.2.8.1 When courtesy transportation is provided by a hotel, motel, or other service facility, the traveler is encouraged to use such service.

4.2.8.2 Travelers may be reimbursed for taxi, bus, and other forms of public transportation. Receipts are not required if under the limit authorized in this policy. If the Purchasing Card is used to make these payments, a receipt is required.

Section 5. Lodging

5.1 Reimbursement

- 5.1.1 Allowable reimbursement for lodging shall include the actual expense for overnight accommodations and all applicable taxes and surcharges. Employees are reimbursed for lodging up to the maximum per diem established by the federal government. Travelers may request reimbursement above the per diem, not to exceed 300 percent (300%) of the maximum per diem allowance. Request for reimbursement above the per diem allowance should be made in advance of travel. Reimbursement above per diem following travel may be granted subject to funding department approval.
- 5.1.2 Travelers shall secure the lowest rate available at a reasonably priced facility. Certain hotels and motels offer special reduced rates to state government employees. Sales tax is to be paid by traveler unless the lodging facility is located in the state of West Virginia and billed to the Purchasing Card or Team Travel Card.
- 5.1.3 Reimbursement for a single occupancy shall be at the least expensive single room rate available.
- 5.1.4 The location of the lodging facility should be as convenient as possible to the place where business is being transacted. The meal per diem is based on the temporary duty location. If lodging is not available at the temporary duty location, the agency may authorize or approve the maximum per diem rate for the location where lodging is obtained.
- 5.1.5 For multiple occupancy, reimbursement may be claimed fully by one traveler with no claim filed by the other traveler, or each traveler may be reimbursed at equal percentages of the total actual cost for accommodations.
- 5.1.6 If an increase in the lodging charge is incurred, the change is reimbursable if the traveler is directed by their appropriate funding department to change his or her travel plans, or if other extenuating circumstances arise. Charges incurred due to the traveler's failure to notify the facility will be considered the personal expense of the traveler.
- 5.1.7 Under no circumstances should a hotel be booked through a third party vendor (i.e. Hotels.com, Travelocity, Expedia, etc.). Third party vendors are unable to provide an invoice or folio for reimbursement and charge service fees that are not reimbursable.
- 5.1.8 Only actual hotel receipts may be accepted for reimbursement purposes.

5.2 Receipts

- 5.2.1 Receipts are required for lodging reimbursement. An invoice or folio shall be the official document utilized for reimbursement to the traveler.
- 5.2.2 If accommodations are shared with other travelers their name(s) must be noted on the travel settlement.

Section 6. Meals

- 6.1 Meal expense reimbursement is based on the temporary duty location and is not to exceed the maximum per diem established by the federal government. The cost of alcohol consumed with meals cannot be reimbursed with ~~West Virginia~~ State funds. If a percentage of the maximum daily rate is used, the traveler may round the calculated amount up to the next whole dollar. Meal reimbursement is allowed when lodging is listed as “gratis” or “no charge.”
- 6.2 Employees will be reimbursed the cost of meals when there is an overnight stay.
 - 6.2.1 Exceptions may be granted to the established rates when authorized by the funding department Vice President. If reimbursement is made in excess of federal government rates, receipts are required and the funding department Vice President must approve the expense.
- 6.3 Travelers may request meal allowances in advance of travel if traveling for three or more days.
- 6.4 When meals are provided for a traveler, the traveler’s maximum daily rate shall be reduced by the appropriate amount.

Current rates and an example of the per diem meal breakdown may be found at the State of West Virginia Travel Management Office’s website at www.state.wv.us/admin/purchase/travel.

- 6.5 Meal and incidental rates differ by travel location. Examples of incidental expenses are fees and tips given to porters, baggage carriers, bellhops, hotel maids, stewards or stewardesses and others on ships and hotel servants; transportation between places of lodging or business and places where meals are taken, if suitable meals cannot be obtained at the temporary duty site.
- 6.6 On the first and last days of travel of an overnight trip when no meals are provided, the allowable reimbursement is based on 75 percent of the federal government’s per diem rate for the specific city. Departure or arrival times are not considered. If a meal(s) is provided gratis or included within a registration fee of the business travel, the per diem rate must be reduced by the appropriate amount.

- 6.7 Meal expenses for single day travel are not reimbursable. Single day travel is travel without an overnight stay and will not qualify a traveler as being away from home for purposes of receiving non-taxable meal reimbursement. This does not apply to Guardian Travel.
- 6.8 The following qualifications for extraordinary meal expense reimbursement require the exercise of good judgment in determining what is considered a “reasonable” expense to incur for the situation.
- 6.8.1 Travelers transporting or accompanying students or others entrusted to the University for their care or education, referred to as Guardian Travel, may be reimbursed for the cost of meals. Receipts (or the student signature form) per current guidelines are required.
- 6.8.2 Employees in certain occasional overtime situations, at the direction of the funding department, may be reimbursed for their expenses. These cases must have the approval of the Vice President of Business and Finance. Departments should keep appropriate documentation on file.

Section 7. Registration Fees

- 7.1 Fees or charges for attendance at conferences, meetings, seminars, or workshops, as well as event-related materials, are reimbursable. Reimbursement for registration fees at meetings or conferences is allowable and must be supported by a receipt. Employees should verify acceptable payment methods with the conference prior to attending. Registration fees should be charged to the Purchasing Card or Team Travel Card.
- 7.2 Receipts are required for reimbursement. The receipt or documentation provided by the event sponsor shall be sufficient for reimbursement. Travelers are to adjust meal reimbursement requests for meals included with the registration fee.
- 7.3 The traveler will not receive an allowance or reimbursement for lodging or food included in registration fees.
- 7.4 If a cancellation charge is incurred, the charge is reimbursable if the traveler is directed by the funding department to change his or her travel plans, or if other extenuating circumstances arise. Charges incurred due to the failure of the traveler to notify the event sponsor will be considered a personal expense.

Section 8. Other Expenses

- 8.1 Travelers may incur miscellaneous business-related expenses for which reimbursement may be made, if appropriate. Receipts are required for any individual expenditure in excess of \$75. The funding department may require any or all receipts at their option as a means of cost control.

A department may allow an employee to file a copied or faxed invoice if the original receipt is lost; however, the Auditor's Office requires two original signatures, in addition to the traveler's. One signature must be the Vice President of Business and Finance and the other must be a Purchasing staff person, who has a signature card on file with the Auditor's Office.

Such expenses and reimbursement may include, but are not limited to:

- a. Baggage storage between appointments and between hotels and meeting places;
- b. Tolls, garage and parking fees - excluding valet parking for personal convenience;
- c. Communication expenses, such as: (1) local calls which may include a surcharge; (2) long distance calls which may include toll charges and surcharges and must be made on the current corporate communications travel card; (3) surcharges for long distance calls when the toll charges are direct billed; (4) facsimiles, cablegrams, or telegrams which may include toll charges, surcharges, or delivery charges; and (5) charges related to internet connections.
- d. Currency conversion;
- e. Guides, interpreters and visa fees; and
- f. Laundry and dry cleaning when an employee is in travel status in excess of three days without returning home.

- 8.2 Non-reimbursable travel-related expenses include the cost of passports (not as a travel expense, but may be considered as a direct charge to the spending unit) and personal flight, baggage or travel insurance. Exceptions must be approved by the funding department Vice President.
- 8.3 Expenses for the consumption of alcohol will not be reimbursed with ~~West Virginia~~ State funds. The President has been directed to spend a large portion of his time on fundraising activities, as such, the President's hospitality related costs and other miscellaneous charges will be reviewed by the Assistant Vice President for Business and Finance, the Director of Purchasing and the Chief of Staff/Special Assistant to the President to determine the appropriate funding source (West Virginia State University, West Virginia State University R & D Corporation or West Virginia State University Foundation) for these costs.
- 8.4 Employees traveling in foreign countries should report their expenditures in United States dollars. The total expenditure in foreign currency must be converted into United States dollars at the rate or rates at which the foreign money was obtained. The rates of conversion and the commissions charged must be shown.

Section 9. Form of Payment for Business Travel – Purchasing Card

- 9.1 Travelers must use the Purchasing Card issued by the state of West Virginia for approved business related travel expenses. No personal purchases are permitted.
- 9.2 Travel expenses shall not include food expenses or any personal expenses on hotel folios. Proper documentation must be provided for any billing (i.e. hotel folios) relating to multiple travelers.
- 9.3 Except where otherwise exempted by statute, policy or waiver from the State Auditor's Office Purchasing Card Division, the Purchasing Card may not be used to obtain cash, cash credits, or cash advances.

Section 10. Reimbursement Forms

- 10.1 Travelers must use the Travel Settlement Form to reconcile all travel related expenses.

Section 11. Other Provisions

- 11.1 In accordance with West Virginia Code § 6B-2-5(2), employees may use bonus points acquired through frequent traveler programs while traveling on official government business, as long as the employee's participation in the program does not result in an additional cost to the state.

Section 12. Exceptions

- 12.1 Any exceptions to this policy must be documented in writing and approved by the Vice President of Business and Finance.
