CHEM 3XX	• new course in toxicology	Approve
Regents BA	• new option in Communications	Approve
Social Work	• change in curriculum	Approve

A number of proposals were returned to their departments:

- three new courses and two course revisions from Business Administration (need proper syllabi)
- change in Criminal Justice curriculum – needs a signature from English Dept.
- POSC 101H - new honors course (still incorrect syllabus)

Other business:

There was a fairly long discussion on which department should offer discipline specific versions of writing courses, etc. The general feeling was that discipline departments should discuss their wants and needs with possible service departments before trying to create their own course.

EPC strongly encourages departments to follow the submission guidelines and deadlines posted on the EPC website: <http://www.wvstateu.edu/academics/educational-policies-committee>
