A number of proposals were returned to their departments:

- a new general education course – BA 311 – not approved by General Education Committee yet, incorrect syllabus
- CJ 313 – approve for general education – needs prerequisites revised
- Changes to options in International Affairs program – no minutes and we’re not sure who is supposed to sign off on this.

EPC strongly encourages departments to follow the submission guidelines and deadlines posted on the EPC website: <http://www.wvstateu.edu/academics/educational-policies-committee>
