§133-32-1. General.

1.1. Scope. This rule establishes the policy for the assessment of tuition and fees at West Virginia undergraduate public institutions of higher education.

1.2. Authority. West Virginia Code §18B-1-6 and §18B-10-1(d)

1.3. Filing Date. --

1.4. Effective Date. --

2.1. Auxiliary Fees. Charges levied to all students to support auxiliary enterprises or optional charges levied only on students using the auxiliary service. Auxiliary fees include sales and service revenue charges other than sales from entities that exist predominantly to furnish goods or services to students, faculty or staff such as residence halls, faculty and staff housing, food services, intercollegiate athletics, student unions, bookstores, parking and other service centers. Sales include revenue from merchandise and tickets, short term rental of space or equipment and sales of services to the general public.

2.2. Capital Fees. Charges levied on students to support debt service, capital projects and facilities maintenance and renewal. Capital Fees are divided into two categories, Education and General Capital Fees and Auxiliary Capital Fees. Education and General Capital Fees support instruction, research, academic support, student services, institutional support, operation and maintenance of plant, and scholarships and fellowship programs. Auxiliary Capital Fees support entities that exist predominantly to furnish goods or services to students, faculty or staff such as residence halls, faculty and staff housing, food services, intercollegiate athletics, student unions, bookstores, parking and other service centers.

2.3. Tuition and Required Educational and General Fees. Charges levied on all students of that class or category to support educational and general program services or optional charges levied for education and general services collected only from students using the service or from students...
for whom the services are made available. Educational and general expenditures include instruction, research, academic support, student services, institutional support, operation and maintenance of plant and scholarships and fellowships. Education and general expenditures do not include expenditures for auxiliary enterprises or independent operations. An institution may create a category within Tuition and Required Education and General Fees named Tuition to classify a fee or group of fees charged for instructional services.

2.4. Full Cost of Instruction. Full cost of instruction includes the direct functional expenditures from each institution’s audit for both instruction and student services expenditures.

2.5. Higher Education Price Index. Inflation index designed specifically to track the main cost drivers in higher education and to measure the change in the price of the goods and services purchased by colleges and universities as measured by the Commonfund Institute.

2.6. Median Family Income. Median household income is household income which the U.S. Census Bureau gathers and reports annually from data gathered by various surveys. Median is the statistical center of all reported households income and is presumed to be a better gauge of income as opposed to average family income.

2.7. Peer. A higher education institution located in another state that is similar to a West Virginia college or university.

2.8. Required Fees. Charges levied to all students of a particular class or category e.g., undergraduate, graduate.

2.89. Special Fee. Operational charges or user fees charged to offset the specific costs for providing these services. These fees include, but are not limited to, course, lab, parking, late payments, drug testing, instrument fees, and other services provided to students. Charging students these fees, allows financial aid to be used as a form of payment for qualifying students. These fees do not include sales of merchandise and tickets, short-term rental of space or equipment and sales of services to the general public.

3.1. The Commission seeks to achieve the following goals and objectives with its tuition rule:

3.1.a. To establish equity in the establishment of tuition charged to students.
3.1.b. To foster goals related to program completion for West Virginia students.

3.1.c. To promote the future economic welfare of the state through an increased output of degree holders in West Virginia.

3.1.d. To recognize that differences in mission, in geographic location, and in local median family income result in differences in tuition. To establish tuition and fee rates that will provide for the most efficient blend of governmental, private, and student revenues based upon institutional mission, location, and student demographics.

§133-32-4. Tuition and Fee Adjustments.

4.1. Objectives. The Commission, in partnership with the institutional governing boards, shall enhance education opportunities for the widest range of state citizens:

4.1.a. by establishing tuition and fee levels for in-state students that do not inhibit access to public education nor cause students to incur excessive debt; W. Va. Code §18B-1D-3(a)(2)(B); and

4.1.b. by establishing tuition and fee rates for out-of-state students at levels which, at a minimum, cover the full cost of instruction unless doing so is inconsistent with a clearly delineated public policy goal established by the Legislature or the Commission. W. Va. Code §18B-1D-3(a)(2)(B).

4.2. Approval of Tuition and Required Fee Adjustments.

4.2.a. Approval Guidelines. A governing board may approve Auxiliary, tuition and required education and general, and capital fee increases for resident students each fiscal year of up to five percent collectively. Auxiliary, tuition and required education and general and capital Tuition and fee increases above five percent collectively must be approved by the Commission. Governing boards are not required to approve sales prices. Programmed fee increases constituted as part of pre-existing institutional bond obligations/covenants shall be excluded from annual fee increase calculations; and

A fee used solely for the purpose of complying with the athletic provisions of 20 U.S.C. 1681, et seq., known as Title IX of the Education Amendment of 1972, is exempt from the limitations on
fee increases set forth in this subsection for three years from the effective date [See Section §18B-10-1.(k).2.]

4.2.a.1. For the purposes of this rule, calculation of five percent shall be based on all required tuition and fee rates charged to all West Virginia resident students.

4.2.a.2. Tuition increases related to fee simplification proposals that result in a tax-revenue expense neutral change for the institution an in-state student shall not be counted toward the five percent allowance exempt from Commission approval.

4.2.b. In establishing guidelines, the Commission shall communicate to institutions benchmarks and guidelines for consideration of any increase above five percent. The benchmarks and guidelines may include, but are not limited to such items as:

4.2.b.1. The HEPI, or other appropriate inflationary benchmark, which new or increased allocations appropriations to the institution's base budget for the next corresponding fiscal year did not offset;

4.2.b.2. Continued achievement of benchmarks in the institutional compact;

4.2.b.3. Institution pursuit of the statewide compact for postsecondary education;

4.2.b.4. The per capita income of West Virginia families and their ability to pay for college, statewide and specifically as to the county(ies) in which 75% of the institution’s in-state students reside;

4.2.b.5. Institutional distance of the sum of appropriations and tuition and fee revenues from peer equity levels as defined by the peer equity model;

4.2.b.6. Institutional and state funding per full-time equivalent student;

4.2.b.7. Most recent three year history of tuition rates and increases;

4.2.b.8. Total sources of student generated revenue, including special fee and program fee rates; and,
4.2.b.9. Other factors as requested or deemed relevant by the Commission or in response to any new statutory language.

4.2.c. In responding to the guidelines and benchmarks provided by the Commission, each governing board shall provide the Commission with an annual report that details:

4.2.c.1. All tuition and fee rates presently charged and the estimated number of students currently being charged the tuition and fees;

4.2.c.2. The proposed total increase in any tuition and fees for the next fiscal year;

4.2.c.3. The estimated number of students who will be charged the increased tuition and fees; and

4.2.c.4. The estimated increase in revenue to be generated from the increased tuition and fees.

4.2.d. A governing board shall propose tuition and required fee rates for non-resident students at levels that, at a minimum, cover the average full cost of instruction. Governing boards may submit for approval institutional policies that support a clearly delineated public policy goal established by the Legislature or the Commission, including but not limited to, proposals to increase the total number of graduates from the institution, aid in economic development or to maximize available capacity on campus.

4.2.d.1. Average full cost of instruction is based on the most recent financial statements. The average shall be determined by calculating the cost of instruction and student services per FTE. This calculation shall be provided to the institutions annually.

4.2.d.2. Institutional governing boards may choose to set non-resident tuition based on the average institutional full cost of instruction or the average full cost of instruction for the system as a whole.

§133-32-5. Expenditure.

5.1. All tuition and fees collected may only be expended for the statutory purpose under which they were collected under.
§133-32-6.  Refunds.

6.1. Except for students receiving Title IV financial assistance, students who officially withdraw during a semester in the academic year shall receive a refund of regular fees in accordance with the following schedules.

6.1.a. Academic Year (Semester). Refunds for semesters shall be calculated using the following schedule:
   6.1.a.1. During the first and second weeks, 90% refund.
   6.1.a.2. During the third and fourth weeks, 70% refund.
   6.1.a.3. During the fifth and sixth weeks, 50% refund.
   6.1.a.4. Beginning with the seventh week, no refund.

6.1.b. Summer Terms and Nontraditional Periods. Refunds for summer sessions and nontraditional periods shall be established based upon the refund rate for the academic year and calculated using the following schedule:
   6.1.b.1. During the first 13% of the term, 90% refund.
   6.1.b.2. From 14% to 25% of the term, 70% refund.
   6.1.b.3. From 26% to 38% of the term, 50% refund.
   6.1.b.4. After 38% of term is completed, no refund.

6.1.c. Should the percentage calculation identify a partial day, the entire day should be included in the higher refund period.

6.1.2. Refunds of tuition and fees shall be effectuated in the same manner as the refunds dictated by federal financial aid rules or regulations.
